

# Kano State Land Administration Enterprise System

## — KLAES TEAM —

Friday, August 22, 2025

Honorable Commissioner  
Ministry of Land and Physical Planning  
Kano State, Nigeria  
Honorable Commissioner,

### Introduction of the KLAES Project Team Members

In line with the ongoing deployment of the **Kano State Land Administration Enterprise System (KLAES)**, we are pleased to formally introduce the key team members who will be working directly with the Ministry for the successful implementation of this transformative system.

The designated team members and their respective roles are as follows:

SN	Name	Role/Responsibility	Engagement Type
1.	<b>Abdulrasheed Kassim</b>	KLAES Team Supervisor	On-site
2.	<b>Bashir Yakubu</b>	KLAES Team HR and Finance	On-site
3.	<b>Iorkua Kator Daniel</b>	KLAES Developer	On-site
4.	<b>Clement Joseph</b>	KLAES Lead Developer	Off-site
5.	<b>Babatomiwa David Ajayi</b>	KLAES Team Coordinator	Off-site

This team brings a blend of technical expertise, project management and operational oversight that will ensure smooth coordination with all relevant departments of the Ministry.

We respectfully request your kind acknowledgment and support to enable them to effectively carry out their duties in collaboration with the Ministry's staff.

Thank you for your continued leadership and commitment to driving innovation and efficiency in land administration for Kano State.

**Yours faithfully,**

**Babatomiwa David Ajayi**  
(Director Operations, Value Maps and Apps Ltd)
